POS PROPHET systems

Integrated Online Store
## Open for Business 24/7 Around the Globe

Big Business Solutions for Small Business

POSexpress' Integrated Online Shopping software module allows you to keep your business open 24/7 and sell your products and services to the entire world. Our patent-pending technology makes e-commerce simple and affordable to businesses of any size. The Online Store is managed entirely from within the POSexpress software so that you are in control, your inventory is real-time and there is no need for double-entry of transactions.

A few of the many reasons you NEED this software:

- Now you are OPEN 24/7
- Now you are OPEN to the world
- Direct link in real time to your inventory
- Managed 100% through POSexpress
- Web-based shipment tracking

- Auto-generated purchase orders
- Auto-generated shipping documents
- Fully integrated with Shipping Software
- E-mail alerts sent automatically

- SAVE $$$ on transaction processing
- Increase your e-mail marketing database
- Sell gift cards online
